

# Colditz Challenge 2014.

“The Colditz Challenge” is a County event that aims to provide an exciting and fun night activity for Scouts, that tests their Scouting skills. There is also an Afternoon Skills Challenge that changes each year. Both are not designed to require any additional training than that given at normal Scout meetings.

**Where:** Broadstone Warren Scout Activity Centre.

**When:** From 13:00 on Saturday 12<sup>th</sup> July to 11.00 on Sunday 13<sup>th</sup> July 2014.

**Who:** Teams of 4 Scouts with minimum age of 11 years and under 14 ½ years on the day of the event. The total age of the team must be a minimum of 46 years and a maximum of 54 years.

Teams will need to be prepared to be self sufficient in camping and cooking. They will have to bring and pitch their own tents, provide cooking equipment and cook their own food on a gas stove or trangea. Although the team's food will **not** be marked they should be encouraged to prepare and cook a two course evening meal (main course & sweet) on the Saturday and breakfast on the Sunday. Both meals should include a hot drink. A comprehensive kit list will be provided with the final instructions.
